

Leeds-based ClockWork Films has a placement available funded by the Screen Industries Growth Network (SIGN), specifically for applicants from groups under-represented in television: Black, Asian and Minority Ethnic, women, disabled people and those who identify as as LGBTQ+ or coming from a lower socio-economic background.

Enabling wider participation to build a diverse and inclusive workforce, is a fundamental part of the SIGN programme. ClockWork Films has a commitment to hiring from a diverse range of backgrounds.

The placement will involve being part of ClockWork's Development Team – and also some location/production work. We're looking for a self-starter who can spot a story and generate ideas – with research, writing and communication skills as well as being uber-organised. You'll work remotely (from home) and ideally have a Yorkshire-base.

We're happy to consider applicants from varied levels of experience. From Runner/Researcher to Assistant Producer level – to a more senior professional on a part-time working arrangement.

Application Deadline: 6th June 2021

Start: Early July 2021
